

IMG Worldwide has acquired IGP Sports & Entertainment Group, the management company of the Mid-Atlantic Championship

[Please Click Here to read the full release](#) on the **IMG Worldwide website**.

Statement from **Teo Sodeman**, Tournament Director of the Mid-Atlantic Championship

"IMG Worldwide's acquisition of our parent company, IGP Sports & Entertainment Group, is a positive for the Mid-Atlantic Championship. IMG Golf has a tremendous reputation as a leader in the golf industry. Being part of this industry leader will help us continue to grow our Web.com Tour tournament as a valuable sports asset for the community and the many charities in Washington, D.C., Maryland and Northern Virginia areas that benefit from our event."

About IMG Golf

IMG Golf is the market leader in the sport with 50 years of experience and now nearly 500 staff working in different aspects of the golf business worldwide. This involves talent representation where the business started and IMG now works with over 100 of the best male and female players from over 30 countries. IMG owns, manages and stages more than 50 golf tournaments a year on every continent and on every Tour including Majors and World Golf Championships, along with special events and over 150 VIP golf days a year worldwide. IMG Golf is involved in every aspect of the game offering its partners a 360° fully integrated service and its core businesses include Media (with IMG Media in partnership with the European Tour and the Asian Tour via European Tour Productions and Asian Tour Media) and Golfing World as well as digital and social media, Golf Course Design and Management, Sales and Advisory Services, Corporate and Federation Consulting, Hospitality, Academies, Licensing, Publishing, Speakers, Broadcasters, Bid Consultancy, Corporate and Individual Brand Development. Golf was IMG's first sport and remains at the heart of IMG's global business.
